A bimonthly journal devoted to basic research in entomology. Contributions should not have economic application or chemical control as their primary objective. Authors are entirely responsible for statements in the ANNALS, whether fact or opinion.

SUBSCRIPTIONS. Nonmembers in North America and U.S. Possessions—$34.50 per year; elsewhere—$36.50. Single copies—$6.00; elsewhere—$7.00. Deliveries overseas are not guaranteed and are made at the subscriber's risk. Membership dues: Active $22.50 ($23.50 elsewhere); student $6.00 ($7.00 elsewhere). Members' subscription rates: $17.25 in North America and U. S. Possessions; $18.25 elsewhere.

MISSING NUMBERS cannot be supplied free of charge in North America and U. S. Possessions unless notice is received within 60 days after the appearance of issues concerned. The Executive Secretary will be glad to quote prices for back numbers.

REPRINTS. A reprint price schedule that applies to orders received before the ANNALS goes to press is shown on the order blank sent with galley proof. No reprints are furnished gratis. For price schedule see BULLETIN OF THE ENTOMOLOGICAL SOCIETY OF AMERICA 21(4): December 1975.

BUSINESS COMMUNICATIONS and matters pertaining to subscriptions and advertisements should be sent to the Executive Secretary. Changes of address must be received 5 days prior to the month of issue to be effective for that month.

Authors are urged to consult "Publication Policies and Instructions for Contributors" before submitting manuscripts (BULLETIN OF THE ENTOMOLOGICAL SOCIETY OF AMERICA 22: 141, June 1976). Effective January 1, 1977, all journals will require the use of the metric system in manuscripts. Non-metric equivalents will be optional. Reproduction of abstracts is authorized.
